Mental Health - Care & Research
Santé mentale - Soins et recherche

Monday September 16

Dear Friends,

On behalf of the members of **Rideau View Golf Club**, thank you for your interest in supporting mental health research at **The Royal Ottawa Mental Health Centre**. We are pleased to present the second annual **Inspirational Golf Classic** in support of mental health. We invite you to join **Rideau View** members, business leaders, and loyal supporters as we tee it up at one of Ottawa's premier private golf courses, **Rideau View Golf Club** in Manotick.

Each year, the tournament recognizes and honours a local individual, family, or organization that has been involved with, or touched by this worthy cause. The 2019 tournament is dedicated to the memory of Antoine Paquin, the brilliant tech pioneer, who died by suicide in May 2017, succumbing to his battle with mental illness.

Our goal is to raise \$500,000 over five years. These funds will support **The Royal's Institute of Mental Health (IMHR)** suicide prevention research. In January 2018, the IMHR recruited Dr. Zachary Kaminsky. Dr. Kaminsky is currently conducting cutting-edge epigenetic research that seeks to measure, through a blood test, the degree to which an individual may be vulnerable to stressors that could increase their risk of suicidal thoughts or acts. Through the use of advanced technology, Dr. Kaminsky's research aims at monitoring internal processes (biomarkers) and external behaviours to identify those most at risk. The 2018 Inspirational Golf Classic, dedicated to the memory of Ryan Parent, raised over \$90,000 making it the largest community golf tournament in the history of the Royal Ottawa Foundation.

It is our sincere hope that you will help us support this effort to improve or even save the lives of some of those suffering from mental illness. Your participation in the 2019 "**Inspirational Golf Classic**" will provide an opportunity to profile you and/or your company to an influential audience while networking with like-minded members of our community. Moreover, participants will have the opportunity to play the spectacular home course of Ottawa's own PGA golfer, **Brad Fritsch**, recent CPGA Hall of Fame inductee **Paul Sherett**, and the PGA of Canada's 2017 teacher of the year, **Matt Robinson**.

Please take a moment to review the enclosed information outlining details of the day and sponsorship information. Through the support of our generous sponsors and donors, we will maximize the impact we have on the lives of those suffering from mental illness. Together we can make a difference.

Thank you in advance for your consideration,

Laura-Lee Arnot
